

Healthline Information Systems

Data Acquisition, Management, and System Integration Solutions for Healthcare

Medical Image acquisition, management, archiving and MEDITECH integration solutions

HealthE PACS

Modality Worklist Service

Get the benefits of a key PACS system feature for a fraction of the cost. The HealthE*PACS Modality Worklist Service provides the ability to acquire patient scheduling and order information directly from your MEDITECH system allowing your staff to simply pick the patient from the list, saving time, reducing errors and increasing study accuracy and staff productivity.

Benefits

- Reduce manual typing of information
- Reduce patient information errors
- Improve staff productivity

Features

- Supports MEDITECH PACS Suite
- HIS Schedule / Order data captured
- Supports Canceled Orders
- Automatic cleanup of old procedures
- No HL7 interface required
- No other PACS components required
- Microsoft SQL Server technology

DICOM support

- Modality Worklist

Upgrade Options

- One-way HL7
- Two-way HL7
- Image Archiving
- Full PACS

Base Price \$6,995

- License for up to 4 Modalities.
- Additional modalities \$895 per device.
- Setup service \$4,995.
- 30 days of support included.
- Support; 5x9 \$1,595, 7x24 \$3,995.
